Car Rules & Specifications

Make / Model

- Car model must be based on a real car made from 1980 - 1989
- Cars only. No trucks or vans.

Car Size

- 1/64 scale
- Must fit on Hot Wheels orange track.

Weight

- 40-60g

Wheels

- Plastic wheels only.
- No off-road style wheels.

Car Exterior

- Cars MUST have a custom paint job.
- Paint job should look clean like a car you would buy from the store. (Sloppy painted cars will not be raced)
- No added weight on the outside of the car.

Windows

- Windows and windshield must be transparent.
- No blacking out windows.

Interior

- The car's interior can be modified, but the front seats and dashboard must remain.
- Added weight should not be visible when looking through the windows.
